Accuracy and care by reliable pharmacist in compounding, and the chemical pure drugs used in prescriptions and packages that go out from my store, and the delicious and refreshing drinks served at my fountain, and lowest prices on all goods, speak for my increasing business. I keep everything to be found in a first-class drug store, and solicit your patronage, and hope to have you as one of my customers.

The Association of American Directory Publishers is composed of reputable City Directory Publishers, organized for the general advancement of the Directory business. Any person, corporation or firm engaged in business as owner and publisher of a City Directory in the United States or Canada, who shall qualify as competent to gather information and compile a City Directory and furnish satisfactory references, is eligible to membership.

The objects of the Association are:
